

Stop Smoking Practitioners – Staffordshire (Various localities)

Full or Part time Roles or Casual Work. Salary Range £20,000 - £25,000 pro rata p.a.

The stop smoking practitioner is responsible for supporting and facilitating the development of smoking cessation programmes within the Healthy Communities integrated lifestyle service for over 50's in Staffordshire. You will be improving accessibility of Staffordshire's Stop Smoking Service through the proactive promotion of the smoking cessation programme and referral pathways amongst primary and secondary care services, other key health care providers, allied professionals, community development initiatives, local agencies and the general public.

If you are enthusiastic, motivated and looking to make a difference then this is the role for you.

We would like to hear from you, if you:

- ✓ Have strong interpersonal and communication skills.
- ✓ Possess a minimum of 1 year experience working in a community based smoking cessation service.
- ✓ Are experienced in using behaviour change models within a work context.
- ✓ Can demonstrate a clear understanding of the range and appropriate use of different smoking cessation interventions.
- ✓ Display strong knowledge of the harmful effects of smoking, smoking as an addiction behaviour, withdrawal and relapse
- ✓ Are flexible with good time management and planning skills
- ✓ Are interested in motivating and supporting both individuals and groups in community based settings.
- ✓ Can raise public awareness and provision of consistent healthy lifestyle messaging, on issues relevant to the health of the community and in a multi-cultural setting.
- ✓ Have experience in building strong links and relationships with a diverse range of groups, Organisations and agencies
- ✓ Are currently registered with the NCSCT as a stop smoking practitioner.
